

Picnic Tables

5 reasons why you should choose British Recycled Plastic

Extremely durable, strong and vandal proof, eliminating maintenance for lower whole life costs

Ultra low carbon footprint as made from recycled and recyclable waste

No need for paint or other harmful preservatives

Does not splinter, rot, crack or fade and is totally impervious to water, algae and insects

Can be worked just like wood

Whether you require maintenance free picnic tables for your school playground, are choosing street furniture for an urban development or improving the facilities for hospital grounds or factory canteens, parks or pubs, we offer a wide range of picnic tables in several sizes in standard, junior and wheelchair access formats.

Product Range

Picnic Tables

British Recycled Plastic – Recycled Plastic Picnic Tables

Our range of outdoor furniture is attractive, vandal-resistant, weatherproof and designed to meet the most demanding applications.

All of our picnic tables are manufactured in the UK using 100% recycled mixed British plastic that would have traditionally ended its life in Landfill. They are also 100% recyclable at the end of their useful life, whenever that may be.

British Recycled Plastic picnic tables have a life expectancy of at least five times that of timber alternatives, with little or no visible wear and tear. As they are rot and algae proof, negligible maintenance is required and no painting or preservatives need to be applied.

Colours Available

Our Denholme, Holmfirth and Otley range are available in all black, all brown or with black frames and a choice of bright colours as below or you can combine all colours for a rainbow effect.

Name	Table Height	Table Width	Seat Height	Seat Width	Overall Length	Overall Width

Picnic Tables

British Recycled Plastic – Recycled Plastic Picnic Tables

Activity table toppers

Snakes and Ladders

Playtown

Chess and Draughts

You can also have a mix of snakes and ladders and chess and draughts

Fixing Kits

Avoid the mess of mixing concrete or time consumed digging holes and protect your furniture from thieves and vandals with anchors. They are quick and easy to install and we have an earth anchor kit (for soft ground such as grass or earthed areas) and the ground fixing kit (for paved, slabbed, concrete or tarmac areas.)

Earth Anchor kit – Suitable for soft surfaces

Soft surface installation instructions are enclosed with the kits

Ground fixing kit – suitable for hard surfaces

and hard surface kit is supplied with a 120mm long thunderbolt with additional M8 coach screws that are 50mm long and are attached to 2 legs only (preferably opposing corners). Brackets are made from 4mm thick aluminium.
