About Us

We're driven by our commitment to 'Making Waste Wonderful.' As a leader in the sustainable sector, we're dedicated to creating a better circular economy by transforming UK household and agriculture plastic waste into high-quality outdoor products.

Our Core Values:

Sustainability:

We're passionate about preserving the environment. Our sustainable practices reduce UK plastic waste, help in the drive towards Net-Zero and to promote a greener future.

Accessibility:

We believe everyone should have access to eco-friendly, durable products. Our solutions are designed for all.

Inclusivity:

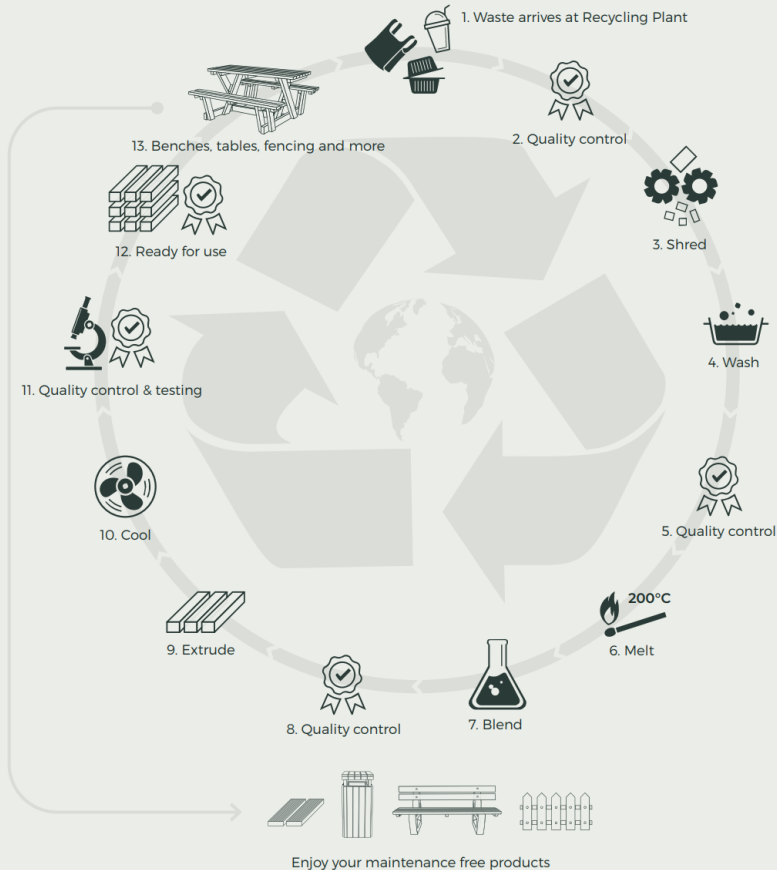

We embrace diversity in every aspect of our work, creating products that enrich lives and spaces for everyone.

BRITISH
RECYCLED
PLASTIC

Our Environmental Impact

We recycle over **350K** tonnes of UK Plastic Waste per year

1 British Recycled Plastic Picnic Table = 115kg CO₂ delivered
Expected lifespan 75 years

1 Long-Haul Imported Pine Picnic Table = 236kg CO₂ delivered
Expected lifespan 5 years

Customer Spotlight:

Brentwood School

Brentwood School is cultivating a vibrant learning environment by dedicating efforts to enriching outdoor spaces, ensuring students have engaging areas to foster both education and well-being. With a commitment to Sustainability, the school is actively working to create captivating outdoor zones where children can not only learn but also thrive. By enhancing these spaces, Brentwood School is fostering a connection with nature, promoting physical activity, and ultimately contributing to the overall well-being of its students. The dedication to building great outdoor areas reflects the school's forward-thinking approach to education, recognising the vital role that a well-designed environment plays in a student's academic and personal growth.

Customer Spotlight:

SproutUp Schools

The SproutUp Schools team have created partnerships to be able to deliver a range of services to enhance and empower schools to integrate more outdoor learning. From a landscaping consultation to create and regenerate the outdoors, teach training workshops to enhance knowledge for school staff, outdoor garden and school maintenance, help with organising gardening clubs within the school and even conducting fundraising to enhance the outdoor space. By nurturing a culture of outdoor education, they aim to provide children with a more well-rounded and dynamic learning experience.

Growing Potatoes in Shopping Bags

Teachers Resource For A Potato Growing Competition

1 What Things Are Needed?

- Seed potatoes
- Grocery Bag or any bag from the house
- Compost or soil

How Will It Grow?
